## **HALSTEAD NURSERY COMMITTEE**

The Nursery is run by an elected committee according to the terms of a constitution. What this means is that everyone using the Nursery has the opportunity to have a say in how it is run and also in the decision making process. The elected committee members are the trustees of the Nursery – the people entrusted with the overall responsibility for ensuring that the group runs successfully.

Whilst the responsibility for the children's play and learning is delegated to the staff, the committee is the employer of appointed staff and is responsible for all the legal duties of employers. Should

problems arise that cannot be dealt with by the Manager, parents should approach the Chairperson in the first instance.

The fees paid by parents cover staff wages, rent and insurance and it is the policy of the committee to keep fees as low as possible. It is therefore an important job of the Committee to arrange fund raising events throughout the year to enable the Nursery to buy equipment and other vital resources.

The Committee is made up of volunteers – mainly parents who give up their time to work within a democratic system enabling the Nursery to provide the best start in life for our pre-school children.

If you would like more information please contact one of the Committee Members. Their contact details are on the parent noticeboard outside of the nursery entrance.
